ROCKHAMPTON LITTLE THEATRE PRESIDENT'S REPORT – 2024

We, started the year off with The Long and Short of It - One Act plays - a joint venture, together with Yeppoon Little Theatre, followed by two further productions in July and November. (The DOT will advise more details in his report.)
The Junior Workshops were conducted throughout the year.
Many thanks to Theresa Quinn, with help from Joanne Rodney, for their commitment to the fortnightly one-hour classes. (Jo to give a Report)

Membership for the year totaled 66 members.
Throughout the year, members have been tidying up our storage space. The tool cupboard had a remarkable "shake up" and now you can actually find things.
Thank you to Jo Webb and Tony Moore for clearing out unused props etc, taking them to the Tip Shop, also selling items on-line.
This will be an on-going project as there are still a lot of costumes to go through.
A successful working bee was held in August to tidy up the Cage area.

A new three-year lease has just been signed with Rockhampton Regional Council, up to March 2027.

Without our wonderful FOH/Bar Staff/Backstage/Sound & Lighting and Directors, a Hugh thank you to your involvement, helping to get our productions "on stage.
To the members of the Rockhampton Photography Club, who are invited to attend dress rehearsals, we also thank you .

To our very loyal and hard working committee, you have excelled yourselves this past year, spreading your time and energy in both theatre activities and productions. I personally appreciate your help with doing things for me.

To the new committee, all the best for 2025. As RLT will be celebrating our 80th Year on 7th October, things will be very busy.
Merle Cole
